WHY A VOICE GIFT?

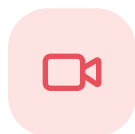

A plaque stays on the shelf. **A voice** comes along.

The value of a year-end gift lies in making people feel seen. With QRNot every gift says what your company wants to say, in its own voice; the content can be updated later and the gift keeps its meaning for years.

Thanks from leadership

HOW IT WORKS

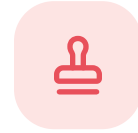

From order to delivery in 4 steps

1

Choose

Pick products, colours and quantities. Different products can be combined in one order.

2

Personalise

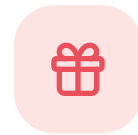

Send your logo or company name; we share a print proof for your approval.

3

Content

Upload voice, video and photos yourself, or send them to us and our team does the bulk setup.

4

Delivery

Items arrive in gift boxes, with NFC chips programmed and locked.

Included in corporate orders
